OCI Construction Group Awarded Oil & Gas Contract in Algeria

OCI N.V. announced today that the OCI Construction Group has been awarded a contract by Technip France (Technip) to execute greenfield and brownfield work at Sonatrach's Algiers Refinery in Sidi Arcine, located approximately 15 kilometres from the Port of Algiers. Technip is the Engineering, Procurement and Construction (EPC) contractor on site and OCI Algeria, a wholly-owned subsidiary of the OCI Construction Group, will execute some of the civil works, paving works, underground piping and related brownfield construction work as part of the rehabilitation and adaptation of the refinery.

OCI Construction Group Chief Operating Officer, Osama Bishai, commented: "We are pleased to announce a new contract award in Algeria from our new client Technip. This recent contract award is a testament to our strong presence in the country. We are also very pleased to strengthen our existing relationship with a major client such as Sonatrach and look forward to building on our relationship further in the future."
